Dear Mrs. Hill,

When people help Toys for Tots, they experience the generosity of Christmas all year long. Giving makes people feel good, because they know they have helped make a child's life a little more special.

We'd like to return the favor with a special gift for you.

Together with Northwest Airlines, we're reaching our goal of providing toys for children each Christmas, and we're giving our donors a gift of our own.

Northwest Airlines is again partnering with Toys for Tots to award 500 WorldPerks miles to each AirCares Club member who makes a donation of \$50 or more to the Marine Toys for Tots Foundation.

Simply mail your tax-deductible gift of \$50.00 or more, along with your WorldPerks number, in the envelope I have included with this letter. We will notify Northwest to credit your 500 WorldPerks miles to your AirCares account.

Not an AirCares Club member? Not to worry, you can still claim your miles! Just contact Northwest Airlines at www.nwa.com to enroll.

It's that simple!

That's why Toys for Tots is proud to partner with Northwest Airlines – because together, we do one special thing – provide toys to needy children at Christmas – that will make a world of difference to them.

Mary Ann wrote to us and said, "This letter is to inform you of how grateful I am and how much I appreciate the gifts your program has shared with the children of this family."

She went on to say: "I am deeply grateful for your help in making the children's holiday season much brighter. The gifts your program has presented to the children will bring much joy and happiness to them and the children they share with."

(Over, please)

I love receiving messages like that! They show how the simple act of giving reaches not just the child who receives it – but the gift also touches that child's entire family, friends...and the community!

If you can send a gift of \$50 it will help a child in so many ways – ways that extend far beyond Christmas time. And in return, we can offer you 500 WorldPerks miles. We hope it helps make traveling to visit your loved ones a little easier.

Gratefully Yours,

Bill Grein

P.S. Remember, time is almost as precious as money. The sooner we hear from you, the more children we can help. Please send in your gift today.

Please consider...

Everything in the world today that is successful and good, is the result of a team effort. The combined efforts of the U.S. Marines, the Marine Toys for Tots Foundation, Northwest Airlines, and millions of caring Americans create a team that can truly make a difference. Thank you for being part of our team.

There is power behind caring ... Toys for Tots!

Reader's Digest named the Marine Toys for Tots Foundation the "Best Children's Charity."
