Description

You'll be saying "take me away" when you set foot in the **Bellaterra Home Arezzo 67 in. Freestanding Bathtub**. The oval shape lends itself to a deep, relaxing soak thanks to the raised side opposite the faucet. Rounded edges on the rim provide a smooth, comfortable place to rest your arms in between sips of wine, the turns of pages of a magazine, or as you lean back and close your eyes. The sleek chrome faucet can be placed at the end of the tub, or wherever best suits your space. The glossy white finish and single wall construction lend themselves to many years of beauty and practicality as this bathtub creates the perfect place to soak away the day and relax.

By combining novel manufacturing processes with traditional craftsmanship and rigorous inspections, Bellaterra retains an unblemished reputation for fine quality and customer service. For over 15 years, the owners of Bellaterra have made certain that production is meticulously managed, from choosing materials to the impeccable construction. All-wood finishes prevent humidity and water damage, ensuring all Bellaterra products remain un-warped, unstained, and gorgeous for a lifetime.
